Report by the Joint Intelligence Committee

THE PROBLEM

1. To prepare final replies to messages from COUSPET* and COUSPA** concerning over-all plan of denial of scientists and technicians within the United States Zones of Germany and Austria.

FACTS BEARING ON THE PROBLEM

2. The State-War-Navy Coordinating Committee, while considering a program for the expansion of Paperclip, was requested by the Joint Chiefs of Staff (JCS 1363/27) to give consideration also to the problems being encountered by COUSPET and COUSPA in accomplishing the over-all program of denial of scientists and technicians in the United States Zones of Germany and Austria.

3. The State-War-Navy Coordinating Committee furnished the Joint Chiefs of Staff with its decision on this matter in SWNCC 4901, 18 November 1946.*** The Joint Intelligence Committee has used this decision as a basis for the draft messages [redacted] in Appendix "A" to COUSPET and COUSPA.

DISCUSSION

4. See Appendix "B"

APPENDIX "A"

DRAFT

MESSAGE TO COUSPET

Ured 87556 of 17 July 1946 has been reviewed by the State, War and Navy Departments in connection with expansion of Paperclip and implementation of this program is now meeting your recommendations a b and c. It is essential that denial program remain in effect until completion of Paperclip. Prior to that ~~On which~~ time your recommendations are requested as to advisability of continuing denial after completion of Paperclip bearing in mind United States policy of extending civil liberties in Germany as well as military security.

MESSAGE TO COUSPA WITH INFORMATION COPY TO COUSPET

Over-all program of denial in United States Zone of Austria ~~may be~~ is to be terminated. However, every effort should be made short of physical restraint to induce scientists and technicians to remain in your zone.
